Illinois **POLLED SHORTHORNS**

**ANNUAL FALL
SHOW and SALE
October 8, 1949**

NORMAL, ILLINOIS

The Breed With The Brightest Future

We Invite You to Quality

Polled Shorthorns have all the features which make for a greater economic return for grass and roughage, and here is the strongest offering in the strongest Polled Shorthorn state. Breeders have cut deep into their foundation material for this offering from the great sires of the breed including the 1946 and 1947 International grand champions and many other history-makers and breed builders. Nearly all of the 19 bulls offered and past yearlings that are ready for light service, or coming two and three ready for heavy service. The 47 females are nearly all bred and heavy in calf to outstanding bulls, or are selling with calves at side. Be sure and be with us on October 8th.

BUILDING FUTURE SECURITY
With Polled Shorthorns
The World's Most Efficient Beef Breed

Polled Shorthorns are a cash crop in Illinois—

**There's no BETTER TIME to BUY
Than NOW**

**And no BETTER PLACE to BUY
Than HERE**

Livestock farming maintains the richness of prairie soils and efficient livestock utilizes lands to the advantage of the farmer and the nation. Here are a few good ones on the farm of George Duewer & Sons, Waverly, Illinois.

19 Bulls that will put pride into your herds.

47 Females to fit every need, cows with calves at foot, many bred heifers.

Show 9:00 A. M.

Sale 12:30 P. M.

Central Standard Time

**In the Heated Sale Pavilion
of the Normal Illinois University
NORMAL, ILLINOIS**

**Hal Longley, Sale Manager
16 S. Locust St. Aurora, Illinois**

General Information

LOCATION—The 1949 annual fall sale of the Illinois Polled Shorthorn Breeders' Assn. will be held in the heated pavilion at the Normal University Farm, Normal, Illinois, on Saturday, October 8.

SALE HEADQUARTERS—Hotel Illinois in Bloomington. Please make your reservations direct to the hotel.

MEETING—There will be a meeting of the Illinois Polled Shorthorn Breeders' Assn. on Friday evening, October 7, at the Hotel Illinois in Bloomington. All those interested in Polled Shorthorns are extended a cordial invitation to attend.

TIME—The show will begin promptly at 9:00 A.M. and the sale at 12:30 P.M. Lunch will be served at the pavilion.

THE MAIL BIDS—We want you to come to the sale if you can possibly do so. If you cannot come, you may rest assured that mail or wire bids will be honestly and faithfully executed. They may be sent to Hal Longley of the Shorthorn World, 16 S. Locust St., Aurora, Ill.; to Clinton K. Tomson, Secretary, American Shorthorn Breeders' Association, 7 Dexter Park Ave., Chicago, Ill.; Tom Sherlock, Drovers Journal, Chicago, or to the auctioneers. Messages sent to any of the above on the morning of the sale should be addressed in care of Sale Pavilion, Normal University Farm, Normal, Illinois.

INQUIRIES ABOUT CATTLE LISTED—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animal listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

A THOROUGHLY HEALTHY OFFERING—This is a thoroughly healthy offering. As a safeguard to prospective buyers, every animal has been tested for Bang's within 30 days prior to the sale and those that are not from accredited herds have passed a clean tuberculin test within the same period. Health certificates will be provided with each lot sold.

AUCTIONEERS—J. E. Halsey, Des Moines, Iowa, and H. P. Miller, Danvers, Illinois.

Terms and Conditions

GUARANTEE—All cattle in this sale are sold under the standard form of guarantee endorsed by the American Shorthorn Breeders' Association.

HEALTH—All animals are sold subject to a 60-day retest for tuberculosis, or to comply with the laws of the state into which they may be shipped. Animals shall be segregated from the buyer's herd until the retest is made except the herd be a Federal Accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State Veterinarian deputized by the State Veterinarian, who is cooperating with the Federal Veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of tubercular reaction, except that the purchaser shall agree to accept a substitute. Every animal in this sale has been tested for Bang's Disease within 30 days of the date of the sale. Health certificates will be provided with each lot sold. Most of the younger females in this sale have been calfhood vaccinated for Bang's.

TERMS—The terms of this sale are cash unless arrangements are made in advance with the consignor from whom you purchase. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchaser.

The above guarantee and terms constitute a contract between the consignor and buyer of each lot. Neither the Illinois Polled Shorthorn Breeders' Association, the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise.

Where footnotes appear in this catalog they were furnished by the consignors or written from information supplied by the consignors.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests. Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser, but at the purchasers' risk of loss or injury after being bid off.

HAL LONGLEY, Sale Mgr., 16 So. Locust Street, **AURORA, ILLINOIS.**

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

FREE FREIGHT OFFER—The American Shorthorn Breeders' Assn. will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$100. To qualify for this freight subsidy, the final destination must be 300 miles or more from Normal, Illinois. Why not contact other breeders in your area to consolidate one shipment?

Show Classification & Premium List

Judge: John K. Bertz, Alpine Farms, Lexington, Missouri

For the purpose of this show, all animals have been divided into classes according to sex and age. There will be ten classes. Each sex will have a champion and a reserve champion. First prize animals in each class will be eligible to show for championship. A fund of \$330.00 has been accumulated by entry fees of \$5.00 per head and this entire amount has been appropriated for cash premiums at this show. The division of this money is shown below.

BULLS

Class I—(Bulls calved before Jan. 1, 1948)									
Lots 1, 2, 3	\$7	\$5	\$1						
Class II—(Bulls calved between Jan. 1, 1948 and July 1, 1948)									
Lots 4, 5, 6, 7, 8, 9	\$7	\$6	\$5	\$3	\$2	\$1			
Class III—(Bulls calved between July 1, 1948 and Oct. 1, 1948)

 Roan, H. C. Rose & Sons

Alcove Model Maker 7th x is out of a No. 1 cow. She has plenty of weight, always fat and smooth and raises a good calf every year. He always has had exceptional weight for age, has a good head and heavy bone. He has the same easy fleshing quality as his dam, and sires uniform calves that are rapid gainers. I would not sell him but have 20 of his half-sisters in the herd.

Lot 2, Bull

G. W. Symonds

FASCINATOR CORONET x2459606

Tattoo RE 47 3

Red, calved Aug. 9, 1947. Bred by Philip P. Yeck, Concord, Ill.

 Red, F. M. Bradley

Fascinator Coronet x is a grandson of Fascinator Standard x, the bull that heads the Franklin herd in Canada. He is from a very good cow. We have used him some and he has sired some toppers.

OUTSTANDING POLLED STEERS

No year could have been more brilliant for the polled branch of the breed than 1948. Proof of the progress and modernization of the breed is no more clearly shown than in the steer competition where Polled Shorthorns proved their ability to match conformation and quality with the best of all breeds and came out with flying colors. Good Polled Shorthorn bulls have been much in demand for several years and few have reached the divisions of competition as steers, but 1948 saw six steers either pure-bred Polled Shorthorns or sired by a pure-bred Polled Shorthorn bull, meteor to the top in the most significant shows of the nation. Two of them were in Illinois.

Lot 3, Bull

Circle S Impression x is a dark, solid red bull by Collynie Good News 2d x, a grandson of Lynnwood Nugget x, that also sired the \$5,000 Riverdale x, sold by Hultines to W. H. McCeney, Silver Springs, Maryland. His dam has produced three top herd bulls. We feel this is as good a prospect as we have ever sold. He stood 5th in open class at the Illinois State Fair this year, 2nd in the Illinois class, and 2nd in the Get of Sire, Illinois class.

Collinsby Archer x2243111 is sire of Lots 6, 56 and 57. His deep, blocky build speaks for itself. He is strong in Scotch and polled blood.

Delmo Outlaw x is just about as soggy as they come. We are using him on a number of our females. He came to us with the entire herd of D. D. Metcalf of South Bend, Indiana, whose herd bull, Collinsby Archer x, was about as deep and blocky as they make them. If Delmo Outlaw x was not so strong in Collinsby blood, we would keep him for a junior herd bull.

Lynnwood Crown x by the famous sire Lynnwood Nugget x. These "Nuggets" have been consistent tops in the best show and sale rings. He is grandsire of Lot 7.

King of Hearts 2d x is a dark red, low-built, blocky son of Collynie Crown x by Lynnwood Crown x, out of a Maxwalton Walkaway dam. He has straight lines and lots of polled blood and has the makings of a great bull.

Millbrook Crown x and Millbrook Crown's Memory x, first prize pair of bulls in the 1947 International Livestock Show, bred and owned by Wm. H. McDonnell. Notice their rugged character, good heads and modern type. The McDonnell offering in this State sale carries a wealth of this same excellent breeding.

Minstrel Baron x is a dark red bull, very short-legged and with plenty of thickness. His dam is the granddam of the champion heifer in last Fall's Illinois Polled sale and sold to Carl Johnson for \$1035. This bull will surely sire compact calves for this Blythesome family always produces that kind.

Edgescreek Baronet x is Lot 10 at 8 months. He is sired by a son of Master Stamp x, 1948 International grand champion.

Edgescreek Beauty x. Another good one by Royal Favorite x.

**Polled Shorthorns
combine the superb
weight for age and

Edgescreek Baronet x is a dark roan son of Royal Favorite x, a great son of that sensational International grand champion, Master Stamp x. Note the Marshal Dale and Princess Royal breeding on his dam's side. We should really keep him in our herd because his sire died after his first crop of calves, but left all good ones.

Pictured here is a group of the Collins Farm females that have proved to be real producers. Collins Farm have a bull and two females in this consignment and Lot 11 is sired by a bull of Collins breeding.

MEMORANDA

Three Great Champions

ALL IN SERVICE IN ILLINOIS. THE BLOOD OF
ALL THREE IS A PART OF THIS SALE OFFERING.

Illinois is proud of its record of producing the 1946 and 1947 International grand champion Polled Shorthorn bulls. It is happier still that these two great individuals have joined the many other superior sires now in service in this State by remaining right in the herds that produced them.

There are important reasons why Polled Shorthorn improvers are consistently coming from Illinois. Shorthorns have always been close to the hearts of the many good farmers and breeders of this great State. They have long appreciated the ability of the Shorthorn to convert most economically their farm roughages into beef. They appreciate their weight-for-age producing characteristics and the heavy milking qualities of the Shorthorn cow and now they are even more enthusiastic over the added hornless feature of the Polled Shorthorn. The unprecedented demand has encouraged breeders of Polled Shorthorns in Illinois to buy better cattle, raise better cattle and sell better cattle.

Twice a year the breeders of this State sell their best productions in the Illinois Polled Shorthorn Breeders' Show and Sale. All of the cattle in this sale could have been sold at private treaty but have been held for this event. They have all been inspected before acceptance in this sale. Avail yourself of this opportunity to purchase the finest Polled Shorthorn seed stock.

Come to Illinois for Real Polled Shorthorn Improvers
